## 2 Bedroom Lodge

Our 2 bedroom waterfront lodge is perfect for extended breaks – long weekends, school holidays and conference/wedding events - when standalone private accommodation with full self-catering facilities offers the ideal 'home away from home'.

Catering for a family or twin share, our popular lodge accommodation allows centralised access to all resort facilities from a truly homely environment.

With large living areas, 2 separate bedrooms, marble bathroom, a generously proportioned balcony overlooking the water and a full size kitchen, the lodge is a superb option for guests who desire additional space and luxury.
